

01-03-004/2017

27 Jun 2017

Through: The Principal

Dear Parents/ Guardians,

A Great Start to Term 3 2017!

We welcome your child back to another exciting school term! As we prepare for the new term, we look forward to your continued support in the various school programmes. Our School Value for Term 3 is the value of Excellence and the two Character Traits for the Term are Obedience (Week 1 to Week 5) and Flexibility (Week 6 to Week 10).

A Warm Welcome to our New Staff

We would like to welcome Mr Gabriel Chua Gim Hong who joined us as Vice Principal (Admin) on 15th Jun 2017. Mr Chua has previously served in the MINDEF/SAF for 30 over years and is looking forward to contribute to the School's excellence in the development and education of our children. Mr Chua holds 2 Master's Degrees in Business Administration and Human Capital Management. He is currently pursuing a third in Data Analytics. His vast experience and expertise in human resource and technology instructional design will be an added asset to our school as we look forward in developing a knowledge management system that will monitor closely our students' potential and development. Mr Chua will be working closely with our parents and community to tap on their involvement to work with our staff.

Joining us this term is also Miss Joyce Lian, our SH/Data Management. Miss Lian hails from Pei Chun Public School, having worked closely with graduating classes for the past 8 years and has headed the innovation department. Joining the management team also is Ms Cerenna Ng. She was from the School of Science and Technology, teaching Chemistry. She was attached to School Division, MOE and is appointed SH/Science.

We also want to congratulate and welcome our newly graduated teachers from NIE to the education fraternity and they are Miss Avenir Janna Francesca, Mr Lim Yang Jun, Mr David Tee Ter Wei and Miss Lee Wen Zhen Audrey.

Promotion to Assistant Year Head

Our heartiest congratulations to Mdm Tan Bee Geok on her promotion as the Assistant Year Head. This is a positive affirmation of her tireless and professional commitment to serve the fraternity. We can definitely look forward to her greater impact and contributions on the lives of our students and staff alike.

Networking for School (N4S) - Breakfast with Parents

In Semester 1, we saw parents coming forward to support school activities and programmes. Many parents have also shown interest to become Parent Representatives for their child's class. To meet these active parents, the school will be hosting **Breakfast with Parents** from 7.00 a.m. to 7.55 a.m. on Monday 10 July (P1 – P3 parent reps) and Monday 17 July (P4 – P6 parent reps). We hope these sessions will allow parents to connect with parents of students in the same class and the teachers. Form teachers will be contacting you soon. We look forward to our continued partnership.

PERI Upgrading

School's PERI Upgrading is progressing well. The new Student Care Centre is up at Level 1. All our classrooms have been upgraded with new storage cupboards, learning communication system and smoke detectors. New window frames have been installed. The Wi-fi infrastructure of the school has also been upgraded during the holidays as we prepare to launch the Student Learning Space (SLS). We are a pilot school of this new e-learning platform. Our indoor sports hall, dance studio, CCA Rooms, Band Room and Teaching Laboratory are well on schedule. New meeting rooms will be constructed at the 4th Level of the Administration Block. Meanwhile, the computer laboratories have been upgraded with new wall to wall white boards. We will update you on new developments and their progress from time to time.

Safety and Security

Safety and security is of prime concern for the school. Please be reminded to alight your child at the designated places in the school, mainly along the covered linkway to the foyer. Do follow the instructions of my school staff. LTA will not hesitate to take legal action against vehicles that stopped or parked illegally outside the school. May I take this opportunity to encourage parents to cooperate with the authorities and be a good example for our children. We should be determined to be good neighbours and show exemplary conduct. This is in alignment with our school's encouragement to LIVE A LEGACY, especially for our children.

Singapore Youth Festival (SYF) Art Exhibition

The SYF Art Exhibition, as part of the art curriculum, facilitates dialogues on ideas, inspirations and art processes among student artists and audiences in the schools and community, with the aim of nurturing students to be effective communicators and self-directed learners. Our students are involved in the SYF Art Exhibition where their final artworks along with the documentation of their artistic processes and learning would be captured as key milestones learning in their SYF journey. Two of our school's art works have been selected for the exhibition. The opening ceremony will be graced by A/Prof Dr Muhammad Faishal Ibrahim, Senior Parliamentary Secretary, MOE & MSFD on 5 July 3 pm at ***SCAPE The Ground Theatre**. The exhibition will be open to public from **6 July till 16 July**, 10 am to 10 pm daily. We look forward to your support.

SYF 2017 Celebrations@Esplanade

Fuhua Primary School's Creative Percussion Ensemble is honoured to be under the mentorship of **Sambiesta**, and we are thrilled to be performing with them! We are very privileged to be given this invaluable opportunity to be mentored by professional musicians and share our love for percussion music with the audience on a public performance stage. Catch us at "Soundwaves", an outdoor music concert that will be held at the Esplanade Outdoor Theatre on **Sunday, 2 July 2017 at 7.15pm**. We hope to see you there!

FHPS Celebration of the Arts

To celebrate our students' talents in Arts, we will put up a concert on **22 September 2017 at River Valley High School at 7 pm**. There will be a technical rehearsal during the September holidays on Friday, 8 September 2017. We seek your assistance to ensure your child is present. All parents of performers are invited for the performance on 22 September 2017. Mark this date on your calendar. We look forward to your support for this magical performance by our students.

E-Learning Day (WZ ICT Seminar)

Fuhua Primary School is the West Zone Centre of Excellence for ICT and will be hosting the West Zone ICT Seminar 2017 for 400 educators on **Wednesday 12th of July**. The school has designated this day to be an

e-learning day. **Students need not attend school on that day, Wednesday, 12th of July.** They are expected to continue learning at home through e-learning platforms.

Please ensure that your child/ward is able to access the school's e-learning resources through a mobile device/computer when they are at home. Your child's/ward's form teachers will give instructions on how to access the e-learning platforms for the e-learning day. If your child does not have an e-learning device at home, they are welcomed to use the school computer laboratories.

Attire & Grooming

This is a gentle reminder that students must adhere to school rules with regard to attire and grooming. Please refer to the Student Organiser 2017 for details. All students are reminded to have their name tags sewn on their uniform & PE attire. This will facilitate identification in the event of an emergency.

Responsibility & Punctuality

Good habits and self-discipline are essential for our students' cognitive and character development. With proper guidance and collaboration between the parents/guardians and school, our students will grow to be socially responsible and productive individuals.

Our students are taught to be responsible for taking care of their own properties. Do teach your child to be organised. Should your child forget to bring their work or stationery, please refrain from sending them to school. From this term, the office will NOT help you pass on these peripherals to your child.

The school takes great pride in providing our students with rich learning experiences which they would fully benefit by being present and punctual for school. Bearing these in mind, parents/guardians are to note the **start and end dates of each term in the academic calendar** as well as the **school's daily reporting time**.

All students are expected to be present and attend lessons during term time and all school activities that have been planned for them. Students who are frequently absent, regardless of whether they have valid reasons, could fall behind in their studies and development. **All absences must be accounted for, failing which, the absence will be considered as truancy.** We trust that our parents will endeavour to help our students learn good habits and self-discipline.

Fuhua Primary School (Term 3 School Calendar 2017)

We are pleased to provide you with our school calendar for Term 3 2017 (Annex A) for your reference.

Please contact our school at 65624370 if you need any further clarification. Thank you.

Yours sincerely

Mrs Cheryl Lim

Vice-Principal

Fuhua Primary School Term 3 Calendar

Annex A

Fuhua Primary School – 2017 Term 3 Calendar				
S/no	Date		Activity	Students/Staff/Parents Involved
