On 19 August 17, our school published "The Little Honey Bee (小蜜蜂) @FHPS" an integrated e-platform to showcase students' work, including writings, books journals, interviews etc. to other students and parents. Its website <a href="https://tinyurl.com/fhpsbee">https://tinyurl.com/fhpsbee</a> includes four main domains -journals, interviews, reads and asks. The journals publish stories, books journals and other writings from students in Fuhua Primary School twice every term. Voice recordings of the student authors are embedded as a digital copy so that students can read and also listen to the stories. The Little Honey Bee was presented at the Mother Tongue Language Symposium 2017 in Suntec City on 19 August 2017 and at the World Books Day 2017 held at the Nanyang Girls' School on 8 April 2017.

We have done very well for this year's SYF Art Exhibition. Two of our pupils' entries are selected for the on-site exhibition at "SCAPE, The Ground Theatre" from 6-16 July 2017:

- "Spaces through our Scopes" by our P3 & P4 Art Club members.

We are also proud to announce that "We Need Space!" was selected to be exhibited in the National Gallery at the Keppel Educational Centre for one year, after the SYF Art Exhibition.

#### Students' Achievements

Our congratulations to Basirah Bte Mohamad Akhbar on receiving the inaugural "The Lee Kuan Yew Award for All-Round Excellence (LKY-ARE)" on 17 August 2017. The LKY-ARE is a national level award for achievement in education. It recognises well-rounded students who have excelled in both academic and non-academic spheres, and who exemplify the qualities articulated in our desired outcomes of education. It was presented to Secondary School students since 2005. To encourage and recognise the efforts and achievements of students at the early stage of their education journey, the LKY ARE was extended to Primary School students for the first time in 2017 (see picture, left).

Our Student Alumni, Luo Mang received "The Lee Kuan Yew Exemplary Student Award (LKY-ESA)" on 17 August 2017. She was a Fuhua Gem who graduated from our School and is currently with Eden School. The LKY-ESA honours students in Special Education (SPED) schools who have risen above their inherent disabilities and challenges to motivate and inspire their peers. It recognises and affirms students with special needs who are role models of learning, dedication, perseverance and courage in areas such as academic, vocational, sports and arts as well as service to the community.

Three of our students, Syan Azfar Bin Sherfoel Herman (5 Respect), Nada Yumnisyarah Binte Kamal (5 Diligence) and Mysha Ariyana Binte Azmi (5 Care) took part in the **National Creative Writing Competition using LEGO** and achieved **4th position**. The competition was held on 12 August 2017.

#### **Networking for School (N4S) - Breakfast with Parents**

The Networking for School (N4S) has been set-up since 2016 to strengthen home-school partnership. It is FHPS' initiative to harness the wealth of expertise, experiences and talents of the parent community to complement the school's efforts to provide our students the best educational experiences during their formative years.

With the shift in school hours in 2016, parents can have breakfast with their child from 7.00 a.m. to 7.55 a.m. every Monday before school assembly at 8.00 a.m. We have also introduced the "Breakfast with Parents" initiative with effect from 10 July 17. This initiative aims to strengthen the connections between the School, the parents and the wider community.

#### Immersion Trip to Langkawi, Thailand and Bali

Our students participated in the Immersion Trip to Langkawi and Bangkok from 1 to 5 July 2017 and to Bali from 30 August to 2 September 2017. You can view photos of the trips on <a href="https://www.facebook.com/FuhuaPrimary/">https://www.facebook.com/FuhuaPrimary/</a>.

Our students have done us proud, performing at an outdoor music concert held at the Esplanade Outdoor Theatre on 2 July 2017. Our FHPS Gems spent 4 Saturdays over the June holidays being mentored by Sambiesta. Watching them grooving and enjoying themselves have made this journey worthwhile to all teachers-in-charge.
