FHPS/2025/T2/001

14 March 2025

Dear Parents / Guardians,

1. We would like to thank you for partnering us throughout the course of this term.

Safety of Our Students

2. For safety and security reasons, should you need to enter the school premises, please register with the security guard to obtain a visitor's pass. Once obtained, proceed to the General Office to seek assistance from our staff. Access to the classroom blocks is restricted.

3. We would like to thank you for your ongoing support in ensuring our students' safety. Following our previous communication, we have noticed significant improvement in traffic management around the school, which reflects your commitment to our students' well-being. Please use the public car park located opposite the school to park your vehicles during dismissal. We are confident that with your continued support, we can provide a safe environment for all road users.

4. We urge you to take note of the after-school activities for your child/ward. This will aid you in knowing your child's/ward's whereabouts after school hours. Do note that if students are staying in school for after-school activities, they must remain within school premises and are not permitted to leave the school to purchase food or visit nearby play areas. They should consume their lunch at the school canteen and remain in the school premises until their after-school activities start. We would appreciate if you could reinforce these guidelines with your child/ward.

Punctuality

5. Thank you for supporting our efforts to promote punctuality. Whilst most students arrive on time, we have noticed some arriving after 7.30 am. Timely arrival is essential for your child/ward to start the day well and maximise his/her learning experience without disruption. Your partnership in ensuring your child's/ward's punctuality to school is invaluable.

6. We will be sending advisory letters to parents/guardians of students who have been late for school after repeated reminders.

Students with Medical Conditions

7. If your child/ward has medical conditions, such as asthma, please ensure that he/she brings along his/her personal medication to school. The medication must be clearly labelled with his/her name and class. Do check that the medication is not expired, and your child/ward can self-administer it.

8. Please update the school immediately of any medical condition your child/ward may have to enable appropriate monitoring by teachers.

Updating of Parents' / Guardians' Contact Details

9. You are required to update your contact details such as home address and contact numbers when there are changes. This allows the school to contact you immediately during an emergency. You may make the changes via <https://pg.moe.edu.sg/forms/sdf> .
10. Contact details of your child/ward should also be updated in his/her student organiser.

Emergency Preparedness

11. As part of our commitment to emergency preparedness, we conduct regular safety briefings and emergency drills throughout the academic year. Our most recent fire drill, completed on 19 February, demonstrated our students' understanding of evacuation procedures and their ability to respond calmly and efficiently to emergency situations.
12. To help reinforce these important safety lessons at home, we encourage you to visit a fire station with your child / ward during the upcoming school holidays. The Singapore Civil Defence Force (SCDF) holds regular open houses at various fire stations, where families can learn more about fire safety and emergency response. You can find the schedule of fire station open houses and more details on the SCDF website <https://www.scdf.gov.sg/home/community-and-volunteers/visit-scdf-establishments> .

Term 2 Calendar 2025

13. We are pleased to provide you with our school calendar for Term 2 2025 for your reference. **For your easy access, this information will now be accessible through the Parents Gateway app, allowing you to stay updated on school events and important dates at any time. This will take effect in Term 2 when school starts.** Please refer to the attachment titled 'Fuhua Primary School T2 2025 Calendar'.
14. We would like to take this opportunity to wish our Muslim students and their families 'Selamat Hari Raya Aidilfitri'.

Partnering you,

Mr Ganesan Raman
Principal
