Pick-Up Points / Drop-Off Points / Bus Routes

13. Pupils must wait at the same pick-up point 5 minutes before the pick-up time. The school bus will not wait for pupils if they are late, as it follows a tight schedule and thus may affect other pupils.
14. Parents are requested to ensure that there is someone to wait for and fetch your child on arrival at their set down point. The bus company will not be responsible for your child's safety after he/she alights from the bus.
15. Please allow for fluctuations in pick-up and drop-off times during the first few weeks of school. Time may vary as school regulates dismissals or unexpectedly at one or two stops may take longer to load causing the bus to arrive later at subsequent stops.
16. Pupils residing on roads with dead-end or narrow lanes may have to walk to the pick-up points designated by the bus company. This is because a sizable capacity bus faces restriction on turning into certain corners/roads as compared to a smaller vehicle. Pupils residing in condominiums may have to wait for their buses at the security guardhouse.
17. Bus routes are fixed by the bus company. The bus company will not entertain any request to change the designated bus route based on personal preferences.
18. Delays in return trips may be experience during raining day or school's event day.
