## Partnership with Parents/Guardians

6. All parents/guardians are strongly encouraged to download and sign up for *Parents Gateway* through the Google Playstore / App Store / Huawei AppGallery. This portal will be the **main communication** channel between the school and parents.

7. You may also want to follow MOE's Instagram account, @parentingwith.moesg. The account shares tips and MOE resources, celebrates the ups and downs of the parenting journey, and seeks to hope and inspire parents through shared experiences.

8. We would like to invite you to follow our school's Instagram account @fuhua\_pri, to get a glimpse of the activities taking place at our school.

9. We seek your understanding that **communication and engagement with staff should occur within school hours from 7.00 a.m. – 5.00 p.m. during the school term**. You may contact your child's/ward's teacher via email, write a note in your child's/ward's student organiser or leave a message at the General Office.

10. Appointments for face-to-face meetings with staff should be made at least 3 days in advance to avoid disappointments and to minimize disruption to their teaching schedule.

11. As a general guide to response time to ensure that queries are well-addressed, we will follow the guidelines below:

- 3 working days (general query)
- 7 working days (query requires some investigation)
- 21 working days (query with complexities)

## Parent Support Group (PSG)

12. We would like to welcome parents/guardians who wish to volunteer your expertise and experience to the holistic education of our students to be part of our Parent Support Group (PSG). You can find out more about our PSG at <https://www.facebook.com/FHPS.PSG/> and <https://fuhuapri.moe.edu.sg/our-stakeholders/networking-for-school-n-parent-support-group>.

## Developing a Reading Culture

13. At Fuhua Primary School, we strive to develop our students into avid readers. Reading books has been found to support students in several ways, such as, improved cognitive development, better language skills, increased concentration and discipline, improved creativity and imagination, among others.

14. As such, we will require all students to bring a story book to school daily. The book may be in English Language or Mother Tongue Language. Students who do not have a book with them may borrow a book from the school Library so that they may join their classmates during reading sessions.

## Use of Mobile Devices (handphones and smart watches) in School

15. We would like to urge you to spend some time going through the school rules listed in the student organiser with your child / ward. The student organiser is available at the bookshop and is in the booklist.

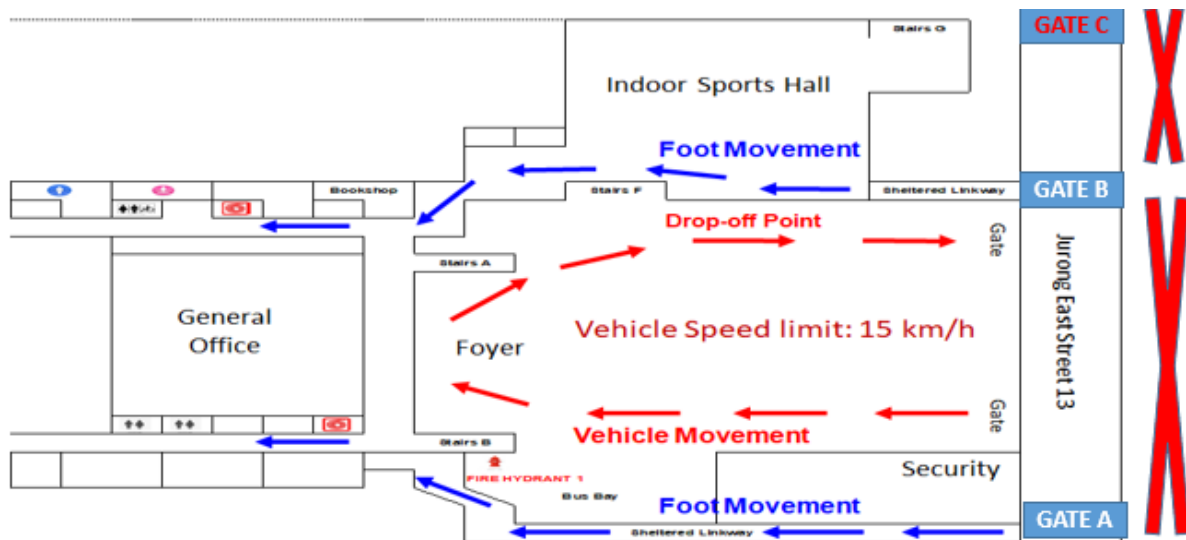

16. We would like to highlight that students **are not to use mobile devices during school hours including recess, CCA and after-school programme** (e.g. support and enrichment classes). The mobile devices must be switched off and kept in their school bags during school-hours and after-school programmes. Students can only use mobile devices at designated areas (basketball court, playground and the learning space in front of the General Office).

17. Students must take personal responsibility for their mobile devices and ensure that they are always kept securely in their school bags. The school will not be responsible for damage or loss of mobile devices.

18. Mobile devices will be confiscated if students fail to comply with the above rules and will be handed over to parents/guardians. The above rules do not apply to non-telecommunication devices, e.g. POSB Smart Buddy Watch.

## Safety Matters – Speed Limit, Pedestrian and Vehicular Movement in School Compound

19. For parents/guardians who are driving into the school compound to drop off your child/ward at the drop-off point in the morning, do note that you are to observe the speed limit of 15 km/h. Please follow the vehicular movement highlighted in red in the diagram below.

20. If you are driving your child/ward to school, please prepare your child/ward to alight quickly at the drop-off point to avoid congestion outside the school.

21. Parents/guardians **should not drop off their child/ward outside the school at the areas marked 'X'**. Due to their small stature, the children may not be visible to other drivers.

22. Parents/guardians are urged to use the pedestrian crossings near the school and remind your child/ward to use them as well for a safe journey to and from school. Let us be good role models to our children by observing safe road habits. Do also go through the joint safety advisory attached with this letter and reiterate the traffic safety regulations with your child / ward.

## Safety Matters – School Dismissal Time

23. During dismissal, **please do not park your vehicles** along the roadside outside the school to wait for your child/ward as this poses safety risks for all road users. We kindly ask that you park at the public carpark opposite the school and walk to pick up your child/ward. Alternatively, you may arrange for your child/ward to meet you there.

24 To avoid congestion outside Gate B during dismissal, we strongly encourage parents/guardians to wait for your child/ward **across the road, opposite the school**. This will help ensure that our students can use the pedestrian crossing safely and move off smoothly.

## Photographs / Videos of Students

25. The school will occasionally take **photographs / videos of students to create awareness of school activities and celebrate the learning and achievements** of our students. These will be **used on the school's website, school's official social media platforms, school's publications or other communication channels**. In the use of photographs and videos, we exercise discretion and responsibility.

26. Photographs / video recordings may also be taken during **various educational activities including classroom lessons, assessments, presentations, and learning activities**. The school may use these recordings **for educational purposes including assessment, instruction, professional development, and improving teaching and learning practices**. Recordings will be stored securely and used only by authorized school personnel for legitimate educational purposes.

27. If you do not wish your child / ward to be featured in these materials, please inform the school via <https://go.gov.sg/fhpsphotographynonconsent>.

## Canteen Food Prices

28. We have a variety of stalls in the canteen that sell set meals priced at **\$2.30 or \$2.50**. The meal may cost more if students ask for additional dishes. Our set meal prices adhere to MOE guidelines. Cashless payment is available at the stalls.

29. Canteen vendors at Fuhua Primary School adhere to the Healthy Meals in Schools Programme (HMSP). More information on the HMSP can be found at <https://www.hpb.gov.sg/schools/school-programmes/healthy-meals-in-schools-programme>.

30. You may refer to the stall menus at our website <https://fuhuapri.moe.edu.sg/general-information/resources-for-parents/canteen-menu> from 29 December onwards.

## Daily Commuters between Johor Bahru and Singapore

31. If your child/ward is living in Johor Bahru (JB) and commuting daily between JB and Singapore, you are advised to make contingency arrangements in the event of transport disruptions.

32. You are advised to appoint a Singapore guardian who can look into the care arrangements should unforeseen situations arise. To maintain accurate school records, the school should be updated when there are changes to such arrangements.

## Students with Medical Conditions

33. Students who have medical conditions, such as asthma, must bring their personal medication with them to school. The medication must be clearly labelled with the child's/ward's name and class. Do ensure that the medication is not expired, and your child / ward knows how to administer the medication himself / herself.

34. Please inform the school immediately if your child / ward has a medical condition. This will allow teachers to monitor the students' well-being.

## Student Absence from School

34. Students are expected to be in school punctually on all school days for optimal learning and development. If students are unwell, they should exercise social responsibility and stay away from school till they are well.

35. Absence from school must be covered by a medical certificate issued by a doctor if the student is unwell. You may write a letter to inform teachers of the absence of your child / ward. Do note that **we will only accept up to 10 parents' letters per child per year** for absence from school.

## Cashless Payments for Fees and Enrichment Programmes

36. We would like to invite you to sign up for GIRO payments for your child's/ward's monthly fees and enrichment programmes, if you have not done so.

37. You need only to complete a simple FormSG available at MOE's website <https://www.moe.gov.sg/financial-matters/fees> . If you have accounts with banks that are not listed on the website, you may request for a GIRO form from us. Please call us at 65624370 for assistance.
